

# Indicators:

The partnership Projekt:

- To design and submit a new „bigger“ project at EU level
- To apply somebody else method

The partnership project

- Evaluations forms of meeting
- Leaflet (with project logo)
- Implementation of partners´ website
- Virtual exhibition (area where to upload/ download)
- Collection of the methods
- Dissemination:
  - Methods: Local
  - Project: EU

Transfer of methods among partners through learning from the experiences of others

- To reach: How many migrant women?

Our learning experience: What we learned from this experience (Self-evaluation)

Informal – social relationships (inside/ outside of seminars)
